

UNLIMITED MILEAGE PROGRAMS

BEST | EXCLUSIONARY COVERAGE

ELIGIBILITY: Up to 10 model years and 150,000 miles.

COVERAGE: Full coverage exclusionary contract, covering more than 750 parts with NADA limits of liability. Excluded items include catalytic converter and emissions components, maintenance items like oil changes, fluid flushes, brake pads and rotors, cosmetic defects, glass, tires, and anything that fails from lack proper maintenance.

TERMS: 1 - 7 years with unlimited miles.

UNIQUE BENEFITS:

- Dedicated support lines with shorter wait times.
- Commercial eligibility for farming, ranching and construction vehicles.
- Up to 9 days of rental coverage.
- 24/7 Roadside assistance.
- Luxury class including BMW, Jaguar, and Land Rover.
- Hi-Tech coverage option available.
- EV Electric coverage available with optional battery pack.

BETTER | MID-LEVEL COVERAGE

ELIGIBILITY: Up to 15 model years and 175,000 miles.

COVERAGE: Up to 260 parts with NADA limits of liability. Coverage starts Day One for vehicles under 80,000 miles. Day One option is available for vehicles with higher eligible mileage.

TERMS: 1 - 7 years with unlimited miles.

UNIQUE BENEFITS:

- Upgrade coverage with the A+ Enhanced option
 - This adds enhanced suspension, cooling, and fuel coverage; an ideal choice for diesels.
- Other options for additional coverage include:
 - Seals & gaskets.
 - Hi-Tech.
 - EV Drive battery pack.
- EV Electric coverage available with optional battery pack coverage.
- Rental car assistance.
- Roadside assistance.

GOOD | ENTRY-LEVEL COVERAGE

ELIGIBILITY: Up to 15 model years and 200,000 miles.

COVERAGE: Up to 88 parts with specific limits of liability. Select day the Day One coverage option for no waiting period.

TERMS: 1 - 7 years with unlimited miles.

UNIQUE BENEFITS:

- Optional coverages allows customer to customize and build their own VSC. Choose from the following options:
 - Air conditioning system.
 - Drive axle.
 - Electrical system.
 - Seals & gaskets.
 - Fuel system.
 - EV drive battery pack.
- Now offering options to increase limits of liability to \$6,000 or \$10,000.
- EV Electric coverage available with optional battery pack coverage.

SPECIALTY PROGRAMS

BEST | EXCLUSIONARY COVERAGE

ELIGIBILITY: Up to 10 model years and 90,000 miles.

COVERAGE: Exclusionary coverage with more than 750 parts with NADA limits of liability and day one coverage. IntelliCare protects all vehicle parts except those listed as exclusions in the service contract.

TERMS: 12 months/6,000 miles up to 84 months/125,000 miles.

UNIQUE BENEFITS:

- Enhanced rental car coverage.
- Roadside assistance.
- Unique offerings included:
 - Hi-Tech parts.
 - EV drive battery pack.
 - EV charging system.
- Enhance coverage with unique add-on options such as:
 - Emissions.
 - Wearable parts.
 - Lighting.
 - Modified beds.
 - Suspension modification.

OPTIONAL COVERAGES:

- **Internal Lighting:**
Dome lights, Map lights, Reading lights, Vanity mirror lights, Storage lights
- **External Lighting:**
Complete lighting assemblies, Integral light electrical harnesses, Circuit boards, Integral lighting adjustment motors, Lighting control modules, HID (High-Intensity Discharge) ballasts, HID bulbs, Halogen bulbs, Standard bulbs
- **Wearable Parts:**
Serpentine belts, V-belts, Engine cooling system hoses, Fuel system hoses, A/C hoses, Power steering hoses, Transmission cooling hoses, Emissions and vacuum lines and hoses, Manual clutch assemblies
- **Emissions:**
EGR (Exhaust Gas Recirculation) cooler, Catalytic converter, Positive crankcase ventilation valve (PCV valve), Other covered components as outlined in contracts

GOOD | ENTRY-LEVEL COVERAGE

ELIGIBILITY: Up to 20 model years and any miles.

COVERAGE: BudgetCare protects all parts specifically listed for coverage in the service contract. Choose from three levels of gas coverage or two levels of EV coverage.

TERMS: 3 months/3,000 miles up to 84 months/84,000 miles.

UNIQUE BENEFITS:

- Three levels of gas coverage to choose from:
 - BudgetCare Engine.
 - BudgetCare Powertrain.
 - BudgetCare Powertrain+.
- Two levels of EV coverage to choose from:
 - BudgetCare EV Powertrain.
 - BudgetCare EV Powertrain+.
- Optional coverage:
 - \$100 decreased deductible.
 - NADA trade-in limit of liability. Increase
 - Area average labor rate increase.
 - Roadside assistance.
 - Rental reimbursement.

COVERAGE OVERVIEW

Engine & Cooling*

Balance shaft components:

- Balance shaft bearing
- Balance shaft bushing
- Balance shaft

Camshaft components:

- Cam followers
- Distributor drive gear
- Rocker bushings

Cylinder components:

- Cylinder barrels
- Piston rings and pins
- Connecting rods and bearings

Crankshaft components:

- Eccentric shaft
- Crankshaft and main bearings

Timing components:

- Timing gears
- Timing chain
- Timing chain guides
- Timing chain tensioner

Valve components:

- Lifters
- Rocker arms
- Rocker shaft
- Intake and exhaust valves
- Valve guides
- Valve springs
- Valve locks
- Valve retainers
- Valve seals
- Valve seats

Miscellaneous components:

- Oil pump
- Oil pump gears
- Push rods
- Water pump
- Harmonic balancer
- Exhaust manifolds
- Oil pump pickup screen
- Engine torque strut

Brakes*

- Master cylinder
- Wheel cylinders
- Power brake booster
- Proportioning valve
- Disc brake calipers

Air Conditioning*

- Compressor
- Condenser
- Evaporator core

Transmission*

Transmission Components:

- Bushings
- Main shaft washers
- Oil pump
- Output shaft
- Drive chain gears
- Drive chain
- Shift bushing
- Drum
- Planetaries
- Sun gear
- Shell
- Shafts
- Bearings
- Shift rails
- Forks
- Synchronizers

Additional Components:

- Flywheel
- Flex plate
- Torque converter
- Valve body
- Transmission solenoids
- Shift linkage
- Vacuum modulator
- Throttle position sensor
- Transmission mounts

Steering*

- Internally lubricated parts of the steering rack and pinion gear
- Steering box
- Steering pump
- Electric power steering motor
- Drag links
- Idler arm
- Internal tilt wheel mechanism
- Pitman arm
- Steering column shafts
- Couplings
- Tie rod ends

Electrical*

- Alternator
- Starter motor
- Voltage regulator
- Horns
- Neutral safety switch
- Reverse indicator switch
- Turn signal switch
- Distributor
- Cruise control switches

Turbo or Supercharger*

- All internally lubricated OEM parts of the turbo or supercharger.

Suspension*

Suspension Components:

- A-frame
- Ball joint
- Coil spring
- Coil spring seat
- Control arm
- Control arm bearing
- Control arm bushing
- Control arm bushing bracket
- Control arm shaft
- Electronic compressor
- Side arm
- Side link
- Leaf spring
- Radial arm
- Radial arm bushing
- Solenoid height sensor
- Spindle
- Spindle brackets
- Stabilizer bar
- Stabilizer bar bushing
- Stabilizer bar link
- Strut bearing

Hi-Tech*

Media Players:

- DVD players
- Blu-Ray players
- CD players

Infotainment and Control:

- Media control unit
- LCD screens

Safety and Assistance Systems:

- Parking sensors
- Cameras
- Bluetooth® and phone communication systems
- Alarm systems
- Collision avoidance systems
- Key-less entry system
- Lane departure warning systems
- Blind spot detection systems
- Park assist systems
- Tire pressure monitoring systems
- Adaptive cruise control system

- Strut assembly
- Compressor relay
- Seals and gaskets
- Thrust arm
- Thrust arm bushing
- Torsion bar
- Torsion bar bushing
- Torsion bar assembly
- Torsion bar tracking
- Trailing arm
- Trailing arm bushing
- Variable damping actuator
- Vehicle Dynamic

Systems (VDS):

- VDS compressor
- VDS control module
- VDS mode selector switch
- Seals and gaskets
- VDS solenoid height sensor

Communication and Connectivity:

- Satellite communication systems (e.g., Onstar)
- Driver information displays
- Internet access systems

Additional Components:

- Radio
- Powertrain control module

* Please refer to the specific program contract for a comprehensive list of covered components.
