

Value-added Benefits

Proguard develops quality products that provide more coverage for the cost. In addition to the covered components, Proguard's commercial coverage also includes:

- Coverage terms ranging from one to four years, with an allowance of 25,000 miles per year.

- **(SiriusXM)** 3-month trial subscription on eligible vehicles factory-equipped with SiriusXM.
- Contracts are transparent with no hidden clauses that prevent us from paying claims.
- Transferable protection so if you sell the vehicle, the value of your purchase is extended to the next owner.
- Fully insured by A-rated insurance companies who A.M. Best considers excellent in financial strength and their ability to pay claims.

We've Got It Handled

If there is a mechanical problem, call us and we can recommend a **Proguard Select** repair facility. If you'd prefer to take the vehicle to a repair facility of your choice, anywhere in the nation, that's perfectly fine with us.

Drive, or if necessary, have your vehicle towed to the service center.

Have them contact us to authorize the repair and once approved, we'll pay them directly so you can get your vehicle back to work.

**If you have any questions,
we're here to help.**

**Simply call us at 877.474.9462 or visit
proguardautomotive.com**

Proguard Protects Your Assets

You've worked hard to establish a business and your customers rely on you to be there. The last thing you need to worry about is one of your vehicles breaking down or needing costly repairs. To protect yourself against unplanned expenses, consider purchasing a Proguard Commercial Vehicle protection plan.

The Commercial Vehicle plan is available on rideshare and commercially registered vehicles, such as delivery vans, utility trucks and flatbed tow trucks. With over 70 years of automotive experience, Proguard knows vehicles and have designed our plan to include the components most likely to fail.

In addition to the powertrain components (transmission, engine and drive axle), this plan covers air conditioning, braking, cooling, fluids, suspension and steering. Electric vehicle component coverage includes not only the propulsion battery, but major components to minimize future out-of-pocket repair expenses.

Protection from Unplanned Expenses

No matter how well you maintain your vehicles, the extensive mileage commercial vehicles are subject to will eventually take its toll. Some components can run thousands of dollars to repair, which you do not want to have to pay for yourself. Proguard covers these components so that if you have a mechanical issue, we've got you covered.

Commercial Vehicle Protection Plan Covered Components

Advanced Electrical: Ambient temperature sensor, Door lock actuators and switches, Electronic ignition module, Electric water pump, Liftgate motor and actuator, MAP sensor, Mass Air Flow sensor, Oxygen sensors, Power mirror motors and switches, Power sliding door motors, Power window motors, switches and regulators, Seat motors and switches, TPMS sensors.

Advanced Engine: Flywheel/Flexplate.

Air Conditioning: Accumulator, Clutch, Compressor, Compressor clutch bearing, Dryer/receiver, Evacuation and Recharge (only in conjunction with a covered repair).Evaporator, Expansion valve, Front and Rear condenser, Orifice tube, Plenums and air ducts, POA valve.

Brakes: Brake hoses, Disc brake calipers, Master cylinder, Steel brake lines, Vacuum power assist booster, Wheel cylinders.

Cooling System: Coolant recovery reservoir, Electric radiator fan motor, Fan and clutch, Heater core, Mechanical water pump, Radiator, Thermostat.

Differential and Drive Axle: All internally lubricated parts including Axle shafts, Bearings, Bushings, Carrier bearings, Center support bearing, CV joints, Differential housing, Drive shafts, Ring and pinion gears, Side and spider gears, Spacers, Universal joints, Yokes.

Electrical System: Alternator, Electric horn, Front and Rear wiper motor assembly, Rear window defroster switch, Starter motor and drive assembly, Starter solenoid, Voltage regulator.

Engine: Gas/Diesel - All internally lubricated parts including Camshaft and bearings, Connecting rods and bearings, Crankshaft and bearings, Cylinder block, Cylinder heads, Exhaust manifold, Exhaust valves, Hydraulic and solid lifters, Intake manifold, Intake valves, Main bearings, Oil pump and gears, Pick-up screen, Pistons, Piston rings, Push rods, Rocker arms and shafts, Timing chain and gears, Timing belt, Valve springs/retainers, Wrist pins.

EV/Hybrid: DC/DC converter, Electric traction motor, Electronic transmission/E-CVT transaxle,

Extended range drive transmitter, EV/HV brake servo, High voltage A/C compressor, Onboard battery charger, Power electronic controller (electronic motor), Propulsion battery, Thermal cooling system.

Fluids and Filters: Any fluids and filters required in conjunction with a covered repair.

Four and AWD: All internally lubricated parts of the transfer case including Bearings, Bushings, Chains, Gears, Sleeves, Sprockets.

Fuel System: Fittings, Fuel lines, Fuel pump module, Primary fuel pump.

Labor on all covered repairs.

Seals and Gaskets: Cylinder head gasket, Intake manifolds gaskets are covered (all other seals and gaskets are included in conjunction with a covered repair).

Steering: Gear box, Power steering pump, Rack and Pinion, Tie rod ends, Upper and lower control arms, shafts and bushings.

Suspension: Leaf and coil springs (only if broken), Pitman arms, Spindles, Upper and lower ball joints, Wheel bearings.

Towing: reimbursement up to \$100 per covered breakdown.

Transmission: Automatic/Manual; All internally lubricated parts.

Automatic: Bands, Bearings, Bushings, Case, Clutch plates, Electronic switches and solenoids, Friction and steel drums, Gears and shafts, Governor, Lock-up converter, Pumps, Servo unit, Torque converter.

Manual: Bearings, Bushings, Case, Gears and shafts, Main drive gear and shaft, Overdrive housing, Shafts, Shift forks, Spacers, Synchronizers and Synchronizer drums.

Turbocharger: (OEM only) All internally lubricated parts including Bearings, Housing, Shafts, Vanes, Wastegate.
